From The President

Members- please read the BY-LAWS change that the Board approved at its November meeting.
Reason for the change- There is a need in the club to attract younger flyers that will be a part of the future for KRCS!

The Board feels that the change to the BY-LAWS along with FREE membership for Youth up to and through 18 years of age will help bring more of the family along with the youth.

Proposed change to the KRCS By-Laws Membership will vote on the change at the

December 5th meeting.

FROM THE PRESIDENT – missed in the November newsletter

The December 7th Monday meeting will be held at the Hidden Hangar

Let's start the fall meeting off with a bang by attending!

Can you believe that fall is here and flying at the field will soon end for a majority of the members due to the colder weather.

The club performed maintenance on the field during the middle of the month. We over-seeded the field with 200 lbs. of grass seed, yes 200 lbs., to fill in the bare spots and where crabgrass took over. We then rolled the field to push the seed into the topsoil. The weather has been warm and the dew in the mornings has helped the grass start to sprout. The field as a whole is in pretty decent shape considering all the damage done over the summer months from the heavy rains. The road if you have driven back still suffers from some ruts and bumps. We'll work on the road once again when spring comes around.

A special *Thank you* to all the members that helped spread the two huge piles of mulch along the flight line tables.

Stay tuned for information about indoor flying coming up shortly. Let's get our indoor gear tuned up for the first flying. Walt will be coordinating the indoor flying!

Don't forget to attend the November meeting for nomination of Officers. Elections take place in December.

We're looking for club photos, or articles of interest that the club members would enjoy seeing and reading in the monthly newsletter.

Please submit to: *Editor: Dan McNeil II*(krcs.news@gmail.com)

Don't forget to talk up the club with family and friends! We are always looking for new members!

See you on the 7th...Sam
