March 5th Meeting of KRCS

The March 2012 meeting of KRCS was held at the Hidden hangar on March 5th .

President Sam opened the meeting at 7:00 with the pledge of allegiance to the flag.

There were 23 members present.

The minutes were approved upon motion by Glenn Shaeffer and seconded by Jim Geiger.

The Treasurer's Report was given by Don Epler. The report was approved upon motion by Henry Spangler and seconded by Walt Hiester.

Walt said that this Friday will be the last indoor flying at the Arena for the season.

Don Epler reported that he has purchased crab grass killer and fertilizer for the field and it will be applied soon, weather permitting

Jim Geiger reported a good club effort for the Paxtonia Science Fair. The club's participation was greatly appreciated by the school administration.

There will be a Jet Rally at the Donegal Springs Airport on August 2-5.

Herb Henderson was unable to give his presentation due to unexpected circumstances.

George Meyer discussed his latest project, a Super Constellation model. George showed a tail section of the plane he is working on. George has a special interest in this plane because he has over 1,500 hours in the full scale plane as a Navigator.

Thanks to George for an extremely interesting talk.

Toots Sides won the raffle.

The meeting adjourned at 7:30.

Respectfully Submitted

Walt Hiester, Secretary

FROM THE PRESIDENT

Had a great time at the Lebanon Flea Market and got to talk to a good many club members in attendance! It seemed to start out slow but got crowded rather quickly!

There's been activity at Cremery Field. The damaged latch mechanism on the main gate has been repaired...no need to hang the chain around the post and secure the lock any more!

If it hasn't been done already by the field crew, the fertilizer and crab grass preventer will be spread on the field shortly.

The Scotty tractor is at the shop for repair. We want to make sure that the equipment is ready for the beginning of spring grass cutting.

The road will have the ruts and dips repaired sometime this spring.

A special *Thank You* to George Meyer for his demonstration and discussion of his Super Constellation tail assembly at the March meeting.

If you have been working on a special plane or project over the winter months or have an interesting topic why not share it with the club members at the next meeting. We are always looking for additional items to liven up the monthly meetings. So *PLEASE* bring it along and share with the members at the next meeting!

April's club activity calendar is included in the newsletter.

AMA dues----Members----PLEASE MAKE SURE THAT YOU HAVE YOUR 2012 AMA DUES PAID BEFORE FLYING AT THE FIELD!!

This is a requirement of the KRCS Club rules.

We're looking for club photos or articles of interest that the club members would enjoy seeing and reading in the monthly newsletter.

Don't forget that you can post items for sale in the monthly newsletter for FREE!

Please submit to: *Editor: Dan McNeil II*(krcs.news@gmail.com)

Don't forget to talk up the club with family and friends! We are always looking for new members!

Sam
