FROM THE PRESIDENT

Here it is another Memorial Day holiday-only a week away- as I write this section for the June newsletter.

A special *Thank You!* goes out to all the men and women that served our country in the military! Especially our KRCS members!

Around 30+ members and friends visited the Udvar Hazy museum in Washington on Saturday May 11th. It was a fun event with many new exhibits that were added since the club went down there four years ago. The bus stopped for a buffet dinner in Thurmont before heading home. I know there were quite a few tired and sore travelers. A special kudos to Jim Geiger for planning the bus trip and bringing and serving coffee and donuts and providing other goodies on the trip!

Thank you!!

To Jim and Jay for cutting down the tree that fell last Sunday and blocked the entrance to the gate. Jay for donating the anemometer and Jim and Jay for installing the unit on the transmitter building. Check it out the next time you're at the field. Wind speed is measured and displayed in MPH. Also to Don for arranging the improvements to the road- smoooooth!!!

KRCS PICNIC – let's have another great turnout for our first picnic of the summer...

The KRCS picnic is planned for Saturday, June 15th.

Hot dogs- Hamburgers- utensils and drinks will be provided at NOON!

Please bring a side dish for all to enjoy!

Don't forget to come early and FLY!

The emphasis this picnic will be with FUN CUBS- we want to see if we can beat last year's number so bring out your cub and have it counted! All planes and copters will be flying at this picnic not just Fun Cubs- so don't let that keep you away!

See you at the next meeting!! FLY SAFELY

Sam
