MEETING MINUTES

July 1 KRCS Meeting

The July 1, 2013 meeting of the KRCS was held at the pavilion at 7:00 pm. There were 20 members present.

President, Sam opened the meeting with the pledge of allegiance to the flag.

Don Epler read the treasurer's report which was approved upon motion by Dan II and seconded by Verna.

The minutes were approved upon motion by Jim Geiger and seconded by Bob Krehling.

Don Epler is privately testing a new strain of grass for the field. If it passes his rigid requirements, it will be applied to the bare spots at our field. The field is in GREAT shape!

The club expressed thanks to Bill Sowers for all his "behind the scenes work" on the field.

President, Sam reminded all about the upcoming fun fly picnic being held on Saturday July 13th. The event will be featuring gliders, although aircraft of all types are welcome. Covered dishes will be gladly appreciated.

Sam announced the flying demonstration, event at the Nye Elementary School on Tuesday July 1, 10-12. It will be both a static and flying affair at the field behind the school. Come if you can, it will be lots of fun.

The meeting adjourned at 7:30, upon motion by Bob Krehling.

Respectfully Submitted
Walt Hiester, Secretary
