FROM THE PRESIDENT

NOVEMBER meeting----- Nov.4th at the Hidden Hangar Meeting starts at 7:00 P.M.

2014 dues are now payable!

For the November meeting please bring your current plane or project to the meeting for everyone to see.

The November meeting- the President and Vice President positions are open for nominations. Henry and myself are stepping down from the above positions and need two club members to step up and take the reigns for the 2014 KRCS flying season.

I will be more than happy to assist the new President and VP in overcoming any anxiety with the office and the items needed to run the club!

It really isn't difficult- but some time is needed during each month to perform the duties of the club.

Please consider yourself for one of these positions!

The indoor flying season at the arena is around the corner. Walt is checking on times when we will be able to fly.

Harold once again will be e-mailing us as to the date/time for indoor flying.

E-mail Harold if you want added to the notification list.

If you haven't been to the field since monsoon season the other week- we had stones once again washed from the road and deposited on the tall grass field toward the road. Both bridges did survive!!

It's quite amazing to see the power of water from the small stream adjoining the field! Verna tells me the water was up to the top of the orange fence at the flight line- debris was stuck to the top of the orange fence!

Please come out to the November meeting!!

Sam
