NEWS LETTER EDITOR— DAN MCNEIL II- krcs.news@gmail.com

FROM THE PRESIDENT

March, 2014

Those of you who have been past the field know that we have a tree problem. As soon as the weather cuts us a break a number of us will get the tree moved. The tree issue brings to mind a problem that we continue to face. Many of the folks who volunteer for field maintenance are getting older and are unable to help as much.

The time has come for some of the “younger” membership to step up. We have the good fortune (through continuing hard work by a few) of having a really nice facility and field. It takes work to keep the field in the condition we continue to enjoy! When we have a work day and put up a call for help please step up and join us.

Secondly I would like to start giving others an opportunity to address the membership via the “Presidents message”. Our VP, Lamont “Zim” Zimmerman will do the April message. If you have a message (editorial) please contact me and we will get it in. Safety and our hobby in general make great topics. If you have particular skills please share them via an editorial.

Hang in there, this weather can't last forever, I hope!!

Jim Geiger
