NEWS LETTER EDITOR— DAN MCNEIL II- krcs.news@gmail.com

FROM THE PRESIDENT.

Once again the topic of "volunteer help" needs to be put forth. As with any organization, like KRCS, we need a steady flow of folks who are willing and able to help with a variety of tasks.

1. Field Maintenance: This is the one ongoing need of the club. Don Epler and Bill Sower do the bulk of it but have an ongoing need for help.

Most of the time they are able to get guys who happen to be at the field to help but it would be helpful if they had your name and phone number so they can call for help at what might seem like the last minute. (they like to cut grass in the afternoon when the field is good and dry).

At the May meeting we will put together a list of folks who they can call for help.

2. Guest flyers: On Wednesday, May 7th we will have a group of Civil Air Patrol kids out to the field around 7:00PM. We will need members with planes and a willingness to help. We will need as many "instructors" as we can get that night. We will discuss this event at the May 5th meeting (at the field)

3. 2014 fun fly events. We are going to try to have three fun events this summer (we will set the dates at the next meeting) and will need help to make these events successful. (Zim is working on a sign that will welcome the public)

Looks like we have a great flying season ahead of us so get your planes ready.

Jim Geiger
KRCS President

MEETING MINUTES

KRCS 4/7/14

The meeting was held at the Hidden Hangar on April 7. Jim Geiger opened the meeting with The Pledge of Allegiance to the Flag. There were 35 present.

The Minutes were approved upon motion by Dan McNeil and seconded by Henry.

The Treasurer's Report was given by Jim in the absence of Don, who was absent.

Jim reported that the field is in great shape. A few trees blew down across the driveway but have been removed. There was no damage to the driveway or field.

Two new members were voted into the club; Wade and Kenneth Schaeffer.

Dan announced that flight training will begin the first Tuesday in May.

The next meeting will be held at the field.

Bob Krehling gave a presentation showing his progress on his Dornier Seaplane. This plane is unique in that it has two engines pods, each with two engines. The rear portion of each pod can be elevated for different thrust configuration. Bob uses a power ram to accomplish this action.

Thanks Bob for a neat presentation.

The club was treated to a great lecture given by Jana Leigh McWhorter, who is a professional Wing Walker. Jana explained how she got started and some of her experiences. Thanks Jana for a wonderful talk. She works with the Flying Circus of Bealton, Virginia

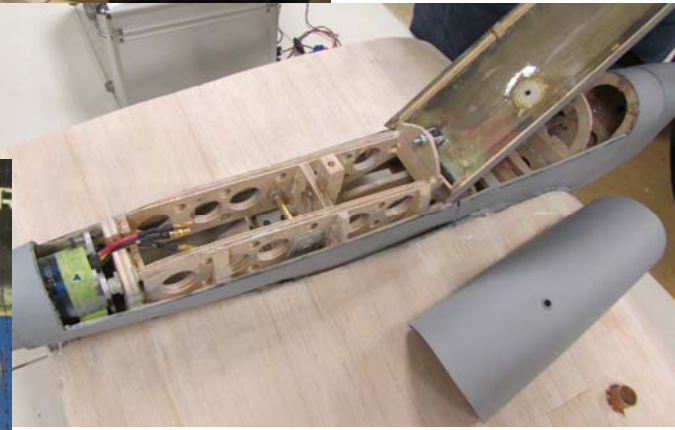

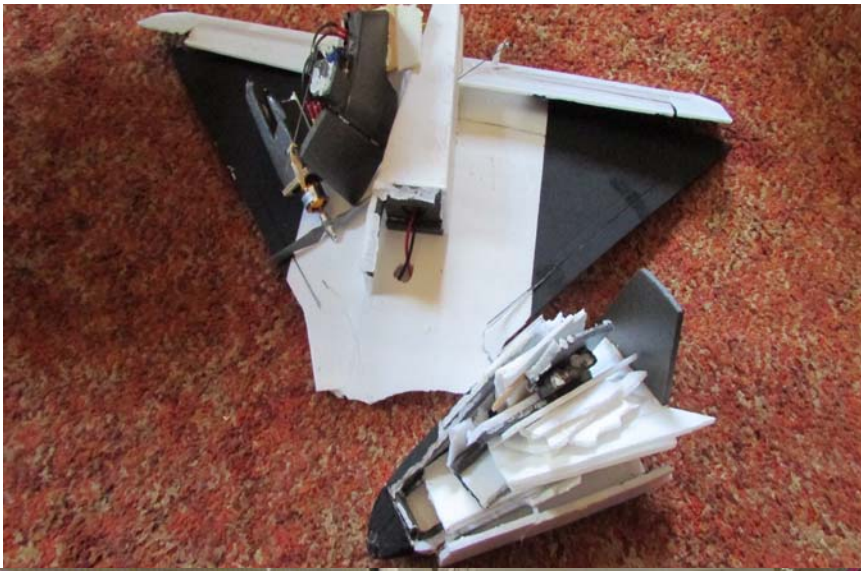

Verna won the raffle.

The meeting adjourned upon motion by Bob Krehling and seconded by Dan II

Respectfully Submitted by

Walt Hiester, Secretary
