FROM THE PRESIDENT

KRCS DOES GOOD!!!

Recently the members of KRCS were introduced to the members of the Harrisburg chapter of the CAP (Civil Air Patrol). Led by Mr. Iven Sears, this group of about ten cadets plus a number of parents, came to the field for an introduction to R/C flying. With the help of our instructors eight cadets and several parents were put into the air with club planes, along with several members planes, and had a ball.

It was clear, from their skill levels, that a number of the young folks had spent time on the CAP owned simulators. There was only one “loss” of a plane (it was one of us who crashed it) and the kids went away with smiles on their faces.

The cadets will be back on Wednesday, July the 9th. I would encourage anyone who wants to get involved in a fun event to come out to the field around 6 pm. Dan, Sam and a number of others will be there but we can always use more help.

Thanks
 Jim Geiger
 President

FROM THE V.P.

Our first “Fun Fly” for 2014 is now in the books. On Saturday, June 14, our “Fun Cub Fun Fly” saw clearing skies after a week of steady rain however we did have high winds!! We had a nice turn out despite the high winds and we even had “Mass Fun Cub Flight”. Four highly experienced aviators included Walt, Sam, Henry and Jay took off, flew and landed without incident...great job guys! It turned out to be a great day of camaraderie, with fellow club members and of course plenty of “Hangar Flying”. Thanks to all who helped and a special thank you to Verna for all of her hard work in the kitchen.

Mark your calendars for Saturday, July 19, for our second “Fun Fly”. The theme will be “Gliders/Fun Cubs”. As usual bring anything you have to fly, the start time will be 9:00 a.m., lunch at 12:00 with the club providing burgers, hot dogs and drinks. Please bring a covered dish for all to enjoy. That’s all for now, see you at the field!

Lamont (Zim) Zimmerman
