## FROM THE PRESIDENT

The September meeting was exciting because we got to thank a great friend, fellow flyer and cook "Chef" Verna McNeil. As most of you know, Verna has cooked, along with JR, for KRCS events for many years. In various conversations I get the feeling she goes back to the Hershey days. We will miss her as our cook but plan on seeing her and Dan at the field on a regular basis.

Thanks again Verna!! Another topic has to do with how we support our hobby and those who support us. The Hidden Hangar of Harrisburg has been our winter home and meeting place for a number of years thanks to Luke and his staff's support. As the internet has gained momentum we all have taken the path of least resistance and purchased our planes and supplies from the many sites on line. I think it is important that we support those who support us, Luke and the Hidden Hangar. If it is a tie or even close (remember his member discount) we need to give our business to the "hangar". Luke supports us, we need to support him!!

If long range forecast looks good we will meet at the field on October 6th. and return to the "Hangar" in November.

Jim Geiger
