

MEETING NOTICE

The December KRCS monthly meeting will be at the Hidden Hanger Monday, December 1, 2014 at 7:00 P.M.

Wanted

L. Coover is looking for Coverrite lettering.

CLUB OFFICERS

President Jim Geiger
 VP Lamont (Zim) Zimmerman
 Secretary Walt Heister
 Treasurer Don Epler

BOARD-2014/2014

Dan McNeil
 Dan McNeil II
 Jim Geiger
 Ron Campbell
 Chuck Bruggerman
 Bob Krehling
 Sam McLenegan

QUALIFIED INSTRUCTORS

Dan McNeil 717-944-9538/ 717-512-3095
 Ron Campbell 717-879-9148
 Dan McNeil II 717-571-0750
 Sam McLenegan 717-602-4577
 Walt Heister 717-832-7278/ 717-439-0244
 Henry Spangler 717-944-6387
 Bob Whiteman 717-877-9832
 Neil Matz 717-939-6025
 Chris Rosing 717-939-2120

NEWS LETTER EDITOR— DAN MCNEIL II- krcs.news@gmail.com

FROM THE PRESIDENT

Well it is evening and the temp is 38 with a light snow. Good thing we started indoor flying!! (more on that later).

We got the field ready for winter with equipment winterized and things in general made ready for winter. Likely we will still get in a few more days of outdoor flying if the weather cooperates.

For those who missed it, we had an interesting event at the field several weeks ago. Bob Whitman and I were flying our small gliders when Bob was "attacked" by a red tail hawk. Glider had entire tail torn off (hanging by push rods) and did a slow spiral into the edge of the corn. Several holes in the wing that were an easy scotch tape fix. Tail was put back on with CA and all was well and flying continued. (likely one PO'd hawk!)

One lost small glider and several planes stuck in the trees. One senior member lost control of his quad but it was quickly found and returned to flight but not on the "homing" mode!

Indoor flying is in full swing with Mondays being the day so far. If you are not getting arena notices from Harold let one of us know and we will get you on the list for notification.

One new thing at the arena, there are floor to ceiling nets at both ends of the ice rink. (someone must have gotten beamed with a puck). Flying is a little trickier but doable.

A caution to everyone who flies at the arena, do not mess with the nets, don't even get close!! All we need to do is get a plane hung up (the left end is permanent and cannot be lowered to retrieve a plane). Our fear is that if we hang one up we could lose our access to this great indoor flying area.

December is election time and we need some new folks to step up. Walt in particular would like to step down as secretary. None of these positions are either hard or time consuming. We have a great club and it simply isn't fair for the same four or five guys to do the work. Next year we will likely go to a fixed grass cutting schedule in response to complaints from a number of members about the unpredictability of the cutting schedule.

Thanks to Henry and Sam for the tips and demos on soldering, I know it helped me.

Hidden Hangar Christmas party is Tuesday, December 16th starting at 10 am. Bring a side dish if you can.

Lastly, Dan McNeil continues his fight with medical issues and could surly use our prayers. Hang in there Dan, we miss you and Verna!!

Jim Geiger
 President

MEETING MINUTES

The November 3rd meeting of the KRCS was held at the Hidden Hangar at 7:00 pm. There were 26 members present.

President Jim opened the meeting with the pledge of Allegiance to the Flag.

The October minutes were approved upon motion by Sam and seconded by Henry.

Don Epler gave the Treasurer's report which was accepted upon motion by Dan II and seconded by George.

President Jim said that the KRCS election of new officers will be coming up next month. Jim mentioned that our Secretary has served for 42 years and he would like to spend more time with his family.

The fantastic Hawk- Mini-Radian encounter was mentioned. It was a incredible event!!!

Indoor Arena flying has started, somewhat hindered this year by nets being erected at both ends of the rink. Please try to avoid getting your aircraft stuck in the nets!!!

A new member, Bob Seller was voted into our club.

President mentioned the latest concerns regarding Drones and the FAA. This is a serious problem and will have a significant impact on our hobby.

The meeting was adjourned at 7:30 upon motion by George and seconded by Lynn.

Charlie won the 50/50 raffle.

Following the meeting a very informative demonstration of soldering techniques was given by Sam and Henry. Thanks Henry and Sam for a great job .

Respectfully Submitted,

Wal Hiester, Secretary.
