FROM THE CO-PILOT’S SEAT

I am writing this for our newsletter and reflecting on the 2014 flying season. We had a really great season of flying, three “Fun Flies” and a well maintained field throughout this year thanks to Don Epler and Bill Sowers and all of the volunteers.

Looking forward to 2015 the club needs your help by having our members step up to volunteer. First we need a club Secretary. This position takes a minimum of time, attend the club meetings and record the minutes. Easy Enough! Please consider volunteering your time and talent.

Another area we need help for 2015 is ”Field Maintenance” (mowing and equipment upkeep). Don Epler advised the officers he no longer will be able to help and maintain the field. We all need to thank Don for his many years of keeping our field in tip-top condition along with keeping our field equipment in great shape. Don, thanks again for your service.

We have a great club and flying field but the club and flying field can’t be maintained by two or three members. I ask every member to consider helping our club in any way that you can. We will have a sign-up sheet for volunteers at the next several meetings. Please give it your consideration. We need your help.....thanks!

That’s all for now. See you at the Hangar for the club meetings.
 Respectfully,

**Lamont “Zim” Zimmerman
 Vice President**

MEETING MINUTES

Meeting was opened by President Jim and followed with the pledge

One guest "Austin" was present

Treasurer reported \$ 5503.37 in the bank.

Secretary had no report.

Field report: After many years of faithful service, Don Epler resigned as field boss. After some discussion about responsibilities, Mark Miles and Ray Dimler agreed to take over the task. More on field upkeep later.

VP report: Zim filed us io on recent AMA events and actions.

In his opinion there will likely be issues with our proximity to HAI as this drone issue gathers steam. HH owner Luke brought up the topic.

The review of KRCS rules and regulations review by VP Zim, discussed and accepted by all.

Old business:

A lively discussion of the drone, AMA and FAA issues was held and an on line report from AMA officers was reviewed. It is generally agreed that KRCS will just "lay low" for now and see what the next several years bring.

Christmas party is to be held at HH on December 16th. Zim will bring pop and ice supplied by KRCS.

New Business:

As indicated earlier, Dohn Epler resigned as field and Mark Miles and Ray Dimler stepped up to take over. Thanks guys!!!! The new blood is welcomed.

We will initiate a grass cutting schedule (likely Tues and Friday at 12) and be looking for folks to sign up and get familiar with the equipment come spring.

Some frustration was expressed by President Jim over the lack on members willing to step up and fill vacant officers positions. Currently the Secretary position is vacant.

Jim indicated that this is a very easy trask and requires just minutes a month to take, write up and get to Dan II by the 20th.

A motion to adjurn was put forth by Bob K. and seconded by George Myer.

50/50 drawing was held (can't remember who won!)

Respectfully submitted by Jim Geiger

Note: VP Zim agreeded to take the minutes until we can get a replacement for Walt.
