FROM THE PRESIDENT

Hi guys well it's snowing again and yucky! this is going to be a short one because the Internet's down and I can't get a message to Dan other than via my iPhone.

Things have been going good but we haven't been able to fly quite as often at the arena mainly because of the weather.

Walt's health has been an issue but it looks like he's on the mend.

If you get this in time we're going to be at the arena on Monday if weather allows.

I will just keep plugging away hope all is well on this snowy weekend. Good time to work on some planes for the spring.

Although Dan has graciously agreed to pick up secretary duties it would still be nice to have more volunteers!

At last meeting we started a grass cutting list for the spring. Sign up, many hands make easy work!!

Anybody been to field lately?

See you all at the meeting.

Jim
