NEWS LETTER EDITOR— DAN MCNEIL II- krcs.news@gmail.com

FROM THE VICE-PRESIDENT

From the Co-Pilots Seat:

This winter is REALLY winter! Our February meeting was cancelled due to weather, many Arena Flies were impacted by weather but surely SPRING is around the corner!

Our club participated in the annual Paxtonia Elementary School Science Fair on Friday, February 6. Jim Geiger, Bill Moore and I attended with various types of RC Aircraft for static display. The attendance was really good by both students and parents with plenty of interest in our hobby and lots of great questions.

A thank you to all who signed up to volunteer for 2015 and a thank you to Dan McNeil, II, for accepting the position of Secretary. For those of you that missed the last meeting and would like to volunteer in any way you can, I will circulate a sign-up sheet at our next meeting.

That's all for now. See you at the Hangar for this month's meeting and remember to think SPRING!!!

Respectfully,

**Lamont (Zim) Zimmerman
 Vice President**
