## FROM THE PRESIDENT

Hang on to your shorts folks, we are almost there!! After all the snow of the past two weeks it is actually melting. Plan to go to the field as soon as I can get the gate open and check things out. If you happen to go just be careful as the road gets a little narrow about 200 feet after you enter, (where the stream comes around). If you get in please give me a call and update. (Jim Geiger 405-0585)

Still some indoor things on the calendar:

Lebanon flea Market: Opens at 8:30 this sat the 14th. (Walt has a table so look for him)

Spooky-Nook flying is at 6:00 on March 31st. (\$5 plus AMA card) this one is a blast!!

One more arena but it is before we go to press with the News Letter. I want to especially thank Harold and Walt for all they do for in procuring the arena.

At the next meeting we need to finalize the field maintenance for this year, come prepared to volunteer.

We also need to set dates for three fun fly events (June, July and August) my proposal is:

June 20th : Gliders with a mass launch of UMX Radians.

July 25th: Fun Cubs with a mass launch.

August 22nd: Open flying with games

We will need folks to "sponsor" each event. I will do the June one. As you may know, our cook (Verna) retired so we will need someone to handle the food and drinks for each event. Who ever sponsors the event should line this up.

The last meeting at the hangar will be the April meeting.

Start charging you batteries and get some new fuel we are almost there!!

Jim Geiger

# MEETING MINUTES

## KRCS March Meeting Minutes

March 2, 2015

18 people present

Meeting was opened 7:03 PM by our president with the Pledge of Allegiance

Meeting Minutes– There were no February meeting minutes

Treasure report approved by Bob Krehling and Charley Hafer

Field Report- Field is flyable.

Field Maintenance- Mark Meyers will be heading up the field maintenance. See Mark to sign up to assist in mowing and other needed maintenance throughout the 2015 season.

Grass cutting will be Tuesday and Friday afternoons weather permitting.

Indoor flying at Spooky Nook March 31 6:00-8:00 pm. Cost is \$5.00 to non members.

Flight training will resume starting the first Tuesday in May. The club needs a volunteer to head up KRCS flight training.

Lebanon Expo R/C flea market being held March 14, 2015. Doors open to the public 8:30 am

Paxtonia Science Fair– KRCS participation was appreciated. Jim flew a small helicopter and the other members offered several static displays.

Meeting adjourn– George and Herb.

50/50 drawing won by Chuck Bruggeman

*Dan Bishiop– KRCS lost one of our best. We offer our condolences to his family.*

**Late Field Report:** Field update: went to the field yesterday and we got through the winter in good shape!! Will need a little "sprucing up" and rolled (usually done in early May). If you like flying in the cold, go for it and fly safe

The FAA has partnered with several industry associations to promote Know Before You Fly, a campaign to educate the public about using unmanned aircraft safely and responsibly. Individuals flying for hobby or recreation are strongly encouraged to follow safety guidelines, which include:

Fly below 400 feet and remain clear of surrounding obstacles

Keep the aircraft within visual line of sight at all times

Remain well clear of and do not interfere with manned aircraft operations

Don't fly within 5 miles of an airport unless you contact the airport and control tower before flying

Don't fly near people or stadiums

Don't fly an aircraft that weighs more than 55 lbs

Don't be careless or reckless with your unmanned aircraft – you could be fined for endangering people or other aircraft
