FROM THE PRESIDENT

President's Message

June , 2015

Guess what folks, we still have a problem with members volunteering for the good of KRCS. Although our club is strong in membership and our treasury is strong we still lack the support of our membership in the every day functioning of the club.

We have three fun fly events for this summer and need folks to "ride herd" on each of three events. I am working the June one and Zim is handling the August one. If someone doesn't step up for the July event at the next meeting we will have to cancel it. Five or six members continue to do the bulk of the work and we still need a secretary (Dan II is doing it for now). The grass cutting is being done by three of four folks.

We will be cutting grass on Tuesdays and Fridays (around eleven) so if you are free, stop buy and help. We need a work crew on June 19th (Friday) to get the field ready for the fun fly on the 20th. (we will have some members of the Lancaster RC club as our guests) and will need help with cooking and cleanup.

Guys, we have a neat club with lots of fine members so jump in and help us keep it that way.

If you haven't been to the field lately, you will be pleased with the "shade tent" we got with the funds contributed by the late Dan Bishop.

Jim Geiger
