FROM THE PRESIDENT

SAFETY! SAFETY! SAFETY! Can't say it often enough. We must be cautious and aware of our surroundings while flying. Some things to keep in mind:

When flying higher powered and larger equipment (helicopters, quads, large scale planes, ect.) keep them over the "bean field". High speed passes and 3D flying with larger planes stay on the creek side of the runway. When flying first person the AMA requires a "spotter". Except for dumb things we do to ourselves, we generally have a good safety record. Let's keep it that way.

At this months meeting the board made a decision to "suspend" the \$75 initiation fee Effective January 1. This fee was implemented when we needed capital to build the new field and is not needed at this time.

Remember, elections of new officers comes up in December, think about how you can help.

With the problems Luke at the hangar is having we will likely be looking for a meeting place come November. Just be aware and check the newsletter for location.

Lastly, the Hangar will be having an open flea market on October 4th, 7 to 1. bring your own table and what ever else you need.

Review the attached minutes to fill in the gaps, remember, it is dues time!!

Jim Geiger
 President
