## FROM THE PRESIDENT

Welcome to a new year, looks like it could be an interesting one for our hobby.

We continue to work with HIA on our agreement for operating under the new FAA rules for fields within the five mile radius. Current signs point to a successful LOA between KRCS and the HIA tower.

As many of you have found out, the FAA registration issue is still a mess. A number of us have registered (it is an easy process) and some are waiting a while.

We have been flying at Hershey arena and SpookyNook. Join us as it is a blast.

If you are looking for the new Fun Cub XL, I talked with MultiPlex and they plan to Ship to the US in early February. Haven't found a hobby shop that has them on order though.

If you missed the Christmas party it was a really nice affair. Thanks to Harry Capper and everyone who helped and brought food. I think Dan has a number of pictures.

Have a great year and we hope to see you at the March meeting and indoor flying.

Jim Geiger  
 President  
 KRCS
