## FROM THE PRESIDENT

March 2016

Believe it or not, even with all this snow and cold the 2016 flying season sneaking up on us. I think some folks have actually gone into the field and flown.

The March and April meetings will be held at Bob Krehling's lunch room.

As many of you know, Don Epler passed away and left us with a void at treasurer. Thankfully, Neil Matz stepped up and accepted the job of treasurer. Sam will replace Dan McNeil as safety officer. We have added both Henry and Walt as emeritus board members. I think that their experience, and knowledge of our past, is critical to our success.

If we can get the weather to cooperate we will go to the HAI tower and complete the paperwork to put us in compliance with FAA rules for flying within five miles of airport. We will notify the tower on the first of each month of our intent to fly every day from 8 AM to dusk, weather permitting!

If you haven't been to the arena or Spooky Nook flying you have missed some fun, not too late!! Remember the Lebanon flea market is March 12<sup>th</sup>.

Lastly, we are working on replacing our impound area with an 8 x 16 walk in barn. We also plan to upgrade the mulch area around the work tables.

Jim Geiger  
President
