FROM THE V.P.

FROM THE CO-PILOTS SEAT:

We really had an interesting April meeting it was the first meeting at the field and it was just plain COLD. We still had around 18 brave members in attendance! May’s meeting should see better weather so come out early and get some flying in before the meeting.

The mowing season at the field has started and Mark has the mowers tuned up and ready to go. If anyone could volunteer some time to mow or provide some general field maintenance that would be great, please see Mark. Any help would be appreciated.

Rumor has it that a member has the new “Multi-Plex Fun Cub XL.” The XL is bigger than the regular Fun Cub and has many improvements and options so come out to the May meeting to see this new aircraft.

Our club has a lot we are working on for this year, so plan on attending the May meeting for current information about upcoming events.

That’s all for now-see you at the field.

Respectfully,

Lamont (Zim) Zimmerman
Vice-President
