**FROM THE PRESIDENT**

Presidents Message July, 2016

Wow what an interesting several weeks we have seen lately!!

New bridge, fun fly, Flood and a number of “yucky” flying days. I have been out of town but understand some interesting events have happened. Thanks to Walt there is never a dull moment at Creamery Field.

Zim will have a Fun Fly review but we need pictures. If you have some from the fun fly please get them to Dan.

We will be cleaning up the bench area and adding a load of new wood chips to-day. While moving the benches this morning I noticed that a number of them need some routine maintenance. We can talk about a work party at the next meeting. I think both Zim and I will be out of town so Dan and Neil will conduct the meeting.

FAA notification has gone well and we currently have no FAA issues. I am guessing everyone has registered with the FAA. Remember you only need to register once not for each plane.

Remember, next fun fly is July 16. Chris is heading that one up.

We cannot thank Bob, Mark and their crew enough for the new bridge, it really “classes” up the field. Also thanks to all who made a financial contribution to the bridge fund.

Jim Geiger  
 President  
 KRCS

## KRCS June Meeting Minutes
