Presidents Message  
 September 2016

Wow, what a day!! If you missed the fun fly you missed a nice event. To start with, Zim truly earned the right to wear the white apron and hat of a chef. The burgers were excellent! We actually hit the numbers with little or no food left over.

Two flying events went well but unfortunately Walt won the spot landing so you know what that means. Bob Whitman won the limbo and musical chairs. Don't know who won the combat but I did see airplane parts falling from the sky.

We had a nice number of visitors and met some potential new members. Only draw back was that it was really hot and humid.

A number of guys were flying big gas stuff and helicopters. Jamie Struggled to get a nice looking P-38 Lightning off of the ground and when he finally did, lost an engine and planted it in the corn. Looked like a difficult repair job for someone.

It was suggested by several folks that we try to have another "picnic" before year end. No games just lots of flying. We will talk about it on the 12<sup>th</sup>.

I want to thank Jay Wilkinson for presenting the club with a much need tool box. With this we are able to do much of the tractor maintenance ourselves. Thanks again Jay!!!

See you at the field, safe flying.

Jim Geiger
