## FROM THE PRESIDENT

November Presidents Message:

Well folks, the season is winding down so better get out while you can!!

We are still working on the safety fence and will be finished before the snow flies.

We are still looking at raising the money for a new "walk in" shed to replace the Current impound area. If you can make a donation please send a check to Neil and mark it "impound shed". As soon as we generate \$2500 we will get the shed on order. Lead time is about six weeks.

This years Christmas party is scheduled for December 20<sup>th</sup> at 10 am. We will be at the same location as last years (Harry Cappers church). Plan on bringing your wives or other guests and a side dish. (either Desert or hot/cold dish. Club will supply drinks and chicken.

Just a reminder about the chicken houses, stay away!! An experienced pilot lost a new plane and it got a little too close to the chicken houses. Even if it is a glider flying high please make sure you are flying well clear of them.

We have reviewed the roster (both KRCS and AMA) and should be accurate now. If you have not paid your 2017 AMA and KRCS dues please do so by year end. Remember, you must belong to both to fly at Creamery field./

The November meeting will be at Bob Krehling's business just off of Elmerton Avenue behind the post office. Dan will include the address in the NL.

Lastly, it is time to elect new officers. Most of the current officers have done more than their share so how about some new blood stepping up. None of the positions are time consuming or difficult.

Jim Geiger  
 President.
