## FROM THE PRESIDENT

December Presidents message

If you think the season is over you really missed a nice day today! Little windy but Bill Moore had a nice fire going. Going to try it again tomorrow.

We had our first indoor event on Tuesday and had a nice group at the Hershey arena. Walt usually gets us in there once a week during the winter season. If you can get free bring something to fly (UMX Radian works well!) and join us. We will also have three events at Spooky Nook in 2017.

Dan will add all of the information on the Christmas party, set for December 20<sup>th</sup> between 4 and 6 PM. Expect to have some great door prizes (stuff you can fly at the arena) and good food. Harry Capper's church is a really nice venue so come. Bring a side dish and your wife or friend.

As I said last time it is officer election time again. I know it is easy to sit back and just let someone else do it but is it really fare? Current officers have been in the job for a number of years and although they have done an excellent job we really would like a break. None of the functions are difficult and can be rewarding when all goes well. Please consider taking a turn!!!

We are getting some funds contributed for the new "field impound" building. Once it looks like we are getting close to the \$2600 target we will get the walk in shed on order.

Two accomplishments for this year were a new bridge and new safety fencing. Thanks to all who helped (especially Bob Whiteman for the bridge).

Last we need a volunteer to work with our web guy to keep the web site up to date. If you have any computer skills this is an easy to support the club.

See you at the December meeting or the party.

Jim Geiger
