## FROM THE PRESIDENT

KRCS Presidents message, February 2017

Thru two of the worst winter months and no snow! Keep your fingers crossed for the Next two months.

Indoor flying has gone well with a number of events at Hershey and Spooky Nook. If you haven't taken advantage of these opportunities you have missed a lot. (next Spooky Nook date 2/10/17 at 6pm.)

Walt just informed me that unfortunately we have lost one of our Hershey flyers. Charlie Coeyman died rather suddenly from an aggressive form of the big "C". For those who fly the arena, Charlie was in a wheel chair (pushed by his wife Dawn) And had one leg. He flew free flight rubber band powered planes. (one flight was over two minutes)

Several of us have been to the field and things look OK. We will have to put some rocks on the road in several places and likely over seed the field. The donations for the "shed" Are about \$500 and we need approximately \$2600. Dig deep and pitch in!! We have a Nice field and this will go a long way to further improve our flying experience.

Be sure to get Dan some pictures so the newsletter will be a little more interesting. Be sure to but March 6 on your calendar for our next meeting in Bob Krehling's Lunch room. Directions in the next NL.

Be safe and get Neil your shed contribution so we can set it on order.

## KRCS January Minutes

Because there will be no meetings in January and February there will be no meeting minutes to post.

**AMA and Club membership now Past DUE!**

**I NEVER ARGUE**  
I JUST EXPLAIN WHY I'M RIGHT.

I HATE IT WHEN  
THE VOICES IN MY HEAD  
GO SILENT...  
I NEVER KNOW WHAT THEY  
ARE PLANNING.

SOMETIMES I SIT QUIETLY  
AND WONDER WHY  
I'M NOT IN A MENTAL ASYLUM...  
THEN I TAKE A LOOK AROUND AND REALIZE...  
MAYBE I ALREADY AM.

**I SPEAK  
MY MIND**  
Because  
IT HURTS TO BITE MY  
TONGUE ALL THE TIME

PAUL PERHAPS WE COULD LOOK AT THIS AS A  
CHEMICAL REACTION THAT OCCURS WHEN DIRT  
AND WOOD COME IN CONTACT WITHOUT THE  
PRESENCE OF AIR! BUT THE GO-PRO'S OK ...
