## FROM THE PRESIDENT

April 2017 Presidents Message

At our March meeting several topics came to the forefront:

1. Do we want to go forward with a new flight line impound shed:
2. How do we go forward in replacing the current slate of officers.

The shed is the easy one, It seems that enough members want to go forward with the project. Via personal phone calls we will line up pledges from the members to generate approximately \$2,000 to purchase the shed. Look forward to a call from one of the officers seeking your contribution for the shed. We will complete the calls prior to the next meeting.

The second issue, replacing officers, continues to be a difficult task. As many of you know, Bob Krehling called approximately 30 members and got positive interest from only four people. Folks we are reaching a point where the future of KRCS is at risk due to a general lack of interest from the membership to becoming actively involved in running the club. Our most urgent need is for a VP as Zim has officially resigned (he will help out until a new VP steps up).

A board meeting is scheduled for the April meeting to consider amending the by-laws to limit officer terms to two years. A vote for a new slate of officers will be scheduled for the May meeting. With Zims departure I will be more than willing to step up as VP to support a new President. Dan and Neil are willing to continue for another year in their current positions. Remember, the job is basically one of providing general direction for KRCS with the support of a VP, treasurer, secretary and safety officer. It is not a time consuming job ( writing the monthly news letter and notifying the FAA of our monthly activities is about it).

We have an active core of members, who are at the field on a regular basis, who are willing to support the officers where ever needed.

Since the weather will still be cold we will once again meet in Bob Krehling's lunch room. Please come and be involved.

Jim Geiger  
 President.
