FROM THE PRESIDENT

Thank you, thank you, thank you, my faith in volunteers is restored. What a work party! We had 20 guys show up to clean things up, dig foundation for new shed (due 5/13/17), fix up the tool shed doors and some other chores.

A special thanks to Brian Krehling, and Jeff Webb for letting us use their Kubota tractors. Brian in particular for his skill with the back hoe in digging out the pit for the shed and spreading out the flight line mulch so it can dry.

Mark Miles did a great job with the other tractor spreading the dirt from the pit and generally cleaning up brush. We tried to clean the pavilion but had trouble getting the pump started. Oh well, perhaps next time. Thanks to the use of Neil's trailer we were able to get two loads of trash to the dump. Place looks much cleaner!

My gratitude to Zim Zimmerman, Sam Mc Lenegan, Randy Smith, Herb Henderson, Walt, Henry, Glenn Shaffer, Bud Shaffer, Bob Walker, Bob Krehling, Howard Corsnite, Chuck Buggerman, Regis Doyle, Brian Krehling, Bill Moore, George Meyer, Mark Miles, Skip, and Bob Whitman.
My apologies if I missed anyone but I really appreciated all of your efforts.

For those of you who succumbed to my arm twisting for shed money, please be sure to get Neil a check. The total installed cost of the shed will be around \$3,000.

At the May meeting we will need folks to step and sponsor the three summer fun flies. I will be gone most of the summer so if you want to have fun flies you are going to have to do it. It is really not that difficult!

While I am delighted with the turnout for the work day, I still remain disappointed that folks do not step up and help run KRCS as an officer. Regis Doyle and Herb Henderson have agreed to step up as co-vice presidents.

The May meeting will be an important one so please come. Remember it is at the field.
