### FROM THE PRESIDENT

Well summer is here and we are off to an exciting start. First and foremost, The new “shed” is in place and appears to be exactly what folks want. A few details below. Zim has resigned as VP after four great years and has been replaced by the “duo” of Regis Doyle and Herb Henderson. The following are some details:

**Shed:** We really got our moneys worth in the shed and are pleased with how it looks on the flight line. We plan to panel the inside, add a bulletin board, some shelves and hang a few necessary things (fire extinguisher and first aid kit). There appears to be a feeling that we need some windows so that is in the works. If you have any suggestions on what else to do with the shed speak up.

**Driveway:** While installing the shed we took the opportunity to fix up the driveway. A fellow named Bruce Harter prepared the shed foundation and put about 30 tons of stone on the driveway. We are set for the season!

**New VP:** My deepest thanks to Zim for his four years as VP, I was sorry to see him go but it gives us the opportunity to get to know two new guys. Both Regis and Herb volunteered and I am sure will do a good job. We met with Zim and passed the VP brief case on. If you cannot reach me please feel free to contact one of them.

**Fun Fly:** We have three fun Fly events scheduled for this summer, Chris Rosing will handle the June 17<sup>th</sup> one. If Chris calls and asks you to help please step up. The July (date to be determined at June meeting) event will be sponsored by our two new VP’s Regis and Herb. August 19<sup>th</sup> event will be sponsored by Dan McNeil

Remember for the Fun Flys KRCS will supply meat and drinks. Please bring a side dish or dessert and come prepared for some great flying.

**CAP:** The Civil Air Patrol will be at the field twice this summer Wed. June 7<sup>th</sup> and Wed August 2<sup>nd</sup>.

Lastly, you will notice that we moved the wind sock to the bridge. It was Zim’s suggestion to make it visible while we were flying. The first one to hit it will go down in infamy!

See you at the June 5<sup>th</sup> meeting

Jim Geiger
