## From the President

Presidents Message  
 October 2017

This is going to be a short one guys. My wife just had a new knee installed so I am chief cook and bottle washer for a while.

The last time I was at the field it looked like we were having a little trouble keeping the grass cut. As I have said in the past, don't wait to be invited to cut grass just go out and check things out. If it needs cut, cut it! We had originally said we would try to cut on Tuesday and Friday at around noon.

We will have the next meeting at Bob Krehling,s place. At that meeting we will pick a date for this years Christmas party.

Please note the condition of the driveway and it possible drive over the "high spots". Since we have access to a lower cost slag we should be able to keep it more drivable.

Sam will get us information on services for his brother Harry when they are available.

See you at the meeting at Bob's place.

Jim Geiger

**Soon time to renew the AMA and Club Membership Dues**
