### From the President

KRCS Presidents message, November 2017

Hi folks, well another flying season is winding down so if you want to fly in 2017 you'd better get to it! It's been a busy year for a lot of us (I personally missed all three fun fly's) but an exciting one.

If you haven't heard, the members in attendance voted to not have meetings for November thru February. Our next meeting will be March 5<sup>th</sup> in Bob Krehling's lunch room. We will continue to publish a monthly newsletter (thanks Dan!) but will need input from the membership. Please get Dan any pictures you feel the members would like. If you have a particularly interesting project going get Dan the details. Also if you feel you have an editorial in you go for it. Get your thoughts to Dan by the 20<sup>th</sup> of each month.

Haven't heard from Walt but indoor flying should start up soon. If you haven't tried flying at the Hershey arena you owe it to yourself to give it a try. The little Radian gliders do well in there!

A number of us cleaned out the tool shed (it was a mess!) so please be careful what you leave in there. We will hold elections for officers at the April meeting with nominations at the March meeting.

Lastly, I want to have a work day in November to cut down some of the tree and bush growth along the creek. Bob has offered his "pole" chain saw to make the job easier. Lets aim for Saturday November 11<sup>th</sup> at 9:00 AM. Bring your gloves and lets clean the place up. Remember, 2018 dues and now due!
