Presidents Message February 2018

Welcome to 2018, a new year filled with new opportunities. Bet you thought we had already taken our camper and hit the road. No not yet, May 30th we hit the road.

I hope you have had the opportunity to join us for indoor flying at the Hershey arena, if not you've missed some cool fun. If you are not on Bob's list to be notified about the flying times for the arena give him a call. (717-877-9832)

As usual, for the winter, things are slow. The field is so far unscathed by the rains and weather, a horned owl has taken up residence in the shed and we have a nomination for club president. A long term member, Brian Krehling, has indicated a desire to step up and serve as president. We will take further nominations at the March meeting in Bob Krehling's lunch room on the 5th at 7:00 pm. Be there if you can and lets get the year of to a great start.

If you haven't yet paid your 2018 dues please (I will start reminder call soon) do. Also don't forget to renew your AMA membership.

You may also have seen that the FAA has reinstated the requirement to register our "drones". We will have more details at the next meeting. In the mean time stay warm and join us at the arena for some fun flying.
