From the President

Hello all,
 Flying season is off to a great start!! We have been dodging rain drops, But overall some great flying days. Love to see some more guys out flying or just Hanging out on the new patio area.

Bill Morris donated a cover for the canopy.

With the new stone and patio, the bugs and flies seem to have found a new home Somewhere else. Which makes flying much more enjoyable. So, get off the couch And come enjoy the field.

The field is in awesome shape. Thanks to Bob Whiteman and Sam McLenegan for keeping the mowers in running order. And keeping up with the Cutting in between the rain.

REMINDER there are drinks on ice in the pavilion that Bill Moore Attends to every day. THESE ARE NOT FREE, PLEASE put money in the jar.

Update on the RC track... I have 3 tri-axle loads clay/dirt mix being Delivered and a new improved layout for multi-use racing. A rock Racer area With many obstacles. A longer straight away and jumps for the 1/8 and 1/5 scale Cars to stretch their legs. Attached is a drawing of the new track. So, if the weather Cooperates in the next few weeks it will be ready for action.

I have been gathering information on doing our own flea market come This fall. Next meeting, we can go over the details. And start advertising.

Hope to see everyone at the field!!

Brian Krehling
 President

Please pay your Dues and AMA if they have not been taken care of!!!
