# **FROM THE PRESIDENT**

November, 2008

As most members are aware of, we have three “charitable” things we, as a club, are involved in. Young Eagles Fly In, Mount Joy Library event, and Steven Sebastianelli.

I think it is time for us to add to our list and give some thought to getting more involved in community charitable functions. The few times that we have brought folks to our field ( Civil Air Patrol, National Guard, etc.) we got good press and the participating members came away feeling good. We clearly have a nice facility and field. Perhaps an event like the CAP one for groups like, Boys Club, Boy Scouts, Cub Scouts (these can be done on a troop basis), etc., etc..

I’m sure, with Wayne’s help, we can set up a one day event and invite some specific kids to our field. We have shown that it is easy to have a picnic and have several buddy boxes set up.

Most members seem more than willing to help out if we get the ball rolling. Come to the November 3<sup>rd</sup> meeting (7:00 PM at the Hangar) with some ideas. A good example of what we can do is Ron Campbell and the Mount Joy Library.

See you on the 3<sup>rd</sup>.

Jim

Remember, 2009 dues are due! Look at end of this newsletter for the form and send it to Don Epler.

## **KRCS Meeting Minutes**

The meeting was called to order at the Hidden Hangar at 7:00 on October 6, 2008 by president, Jim Geiger. There were 20 members in attendance.

The pledge allegiance to the flag was made with the flag held by Sam.

Minutes of the September meeting were approved upon motion by Dan I and seconded by George.

Treasurer’s report was given by Don Epler and approved upon motion by Dan II and seconded by Dan I.

Field Report.. It was reported that skunks have been tearing up the field. Bob K. and staff applied grubbing poison to the field. That solved the skunk problem and the field looks good once again. There was a discussion concerning the mud condition around the tables. Upon motion by Don Epler and seconded by Dan Bishop, It was decided to go ahead with wood chipping the infield area. Bob K. will be contacted to make the arrangements.

The president reminded members that both AMA and KRCS 2009 dues are due NOW.

Upcoming Events;

Blue and Grey Fun Fly at Gettysburg Oct 11th and also The Jet Rally at Hamburg.

Walt mentioned that the indoor flying at the Arena will commence in two weeks. Time and dates will be forthcoming.

Skip showed details of a new field that he has secured for park flyers only. It is located in Swatara Twp. just off Chambers Hill Road. Skip said KRCS members will be permitted to fly there if the club writes to the twp. for permission. Upon motion by Skip and seconded by Dan Bishop it was voted that the club take advantage of flying at this facility. President Geiger will take the necessary action for the club's benefit.

George was commended for his efforts in locating lost aircraft. He was responsible for finding at least two lost planes.

Dan I thanked all the instructors who helped in training this summer. The program did very well and was greatly appreciated by all participants.
