FROM THE PRESIDENT

December, 2008

KRCS and the future: Those folks who were at the November meeting heard our plan to put together a committee to take a look at our needs. I think we have a need to have a “formal” five year plan. The committee is made up of Bob Krehling, Bill Hallman, George Meyer and myself. We will meet following the December meeting. If you would like to be involved you are cordially invited to join us.

We will look at things like field improvements, pavilion upgrades; equipment needs etc., etc.. Your thoughts and ideas are needed if we are to represent the wants and desires of the membership. Don't let a handful of members determine our future, get involved and let your opinions be heard.

See you on the first at the Hidden Hangar. A reminder, our annual Christmas get together at the Hangar is scheduled for the 16th. Good food, and good company and a chance to buy something.

Jim

Remember, 2009 dues are due! Look at end of this newsletter for the form and send it to Don Epler.

There will be an election at the next meeting for approval of three new board members, ballots will be available at start of meeting.
