ROY STONE	(717) 367-8216
HENRY SPANGLER	(717) 566-5493
WAYNE LAUGHNER	(717) 774-2918

FROM THE PRESIDENT

July 2009

Be there or be square! (Or on vacation) The first of two “Fun Fly”s is set for Saturday, July 11th. Details further down in the news letter.

It’s not just a hobby anymore! For those who are internet savvy now is the time to check out “UAV”S (Unmanned Air Vehicles). It is absolutely amazing how far what started as a hobby has come. Many of you will remember the exposure we got to the Army guys, who flew with us at Geyer Field, several years ago. I have a brother-in-law who is a 757 captain and has no problem with the idea that large, civilian airliners will fly without a pilot some time in the future. (Got to believe that would be cargo planes at best!)

Go on the internet and look at some of the stuff that has been printed in “Aviation Week and Space Technology”. All you have to do is look at some of the things our members have done, cameras, altimeters, tow planes, etc. and let your imagination work.

If you come across something really cool forward it to the membership!

Have a safe flying year and enjoy the great weather.

Jim Geiger
President, KRCS

KRCS Minutes

Meeting was called to order at 7:00 pm, June 1st by Vice president Henry Spangler, in the absence of the president who was ill. The meeting was held in the new pavilion at our field...22 members present.

Minutes were approved upon motion by Walt and seconded by Bob K.

Treasurer’s report was given by Don E. Report was approved upon motion by Dan II and seconded by Dan Bishop.

Bob K. gave a report on the newly finished pavilion. Crushed stone will be coming tomorrow to finish off low sports in the road and to finish the floor in the pavilion

Bob gave special thanks to all those who worked so faithfully and hard. It was due to their efforts that the pavilion project worked out as well as it did!

Vice President Henry gave Bob K. thanks from the membership for leading the pavilion project to a very successful conclusion.

Ron Campbell said that the Mt. Joy Library Static display will be on July 18th. Volunteers and models are needed for a great day!

Bob K reminded members about the Club sponsored Fun Flys (open to the public) on July 11th and Aug 15th. Volunteer help will be greatly appreciated.

John Novak announced that on June 20 there will be a Free Flight event at the Lancaster Bible School. Flying will be indoor and out. No engines...electric motors only!

Linda Coover cautioned members to remember the club rules regarding take off and landing patterns. Linda experienced a near collision on a recent take off.

Linda also would like more care in maintaining the housekeeping of the impound area
Please try to keep the area CLEAN!

Don Epler won the 50/50 raffle.

The meeting adjourned at 7:30 upon motion by John Novak and seconded by George.

Respectfully Submitted

Walt Hiester, Secretary

UPCOMING EVENTS

Mt. Joy Library Static display - July 18th

Fun Fly - July 11th

Fun Fly - Aug. 15th

The Aerobats 7th Annual Fly-In - June 27th & 28th at the Aerobats Flying Club field, 135 Mahantongo Dr. 1 mile North of Sacramento, Pa.

Sacramento - 6.5 miles East of Gratz on Rt 25, and 11 miles West of I-81, exit 112.

For more info – Terry Klinger 570-682-9518

Joe Reiner 570-425-2782

Suggestions are welcome from membership for future projects and/or field improvements....remember, they're just suggestions.

If you bring something to the field, remember to take it with you when you leave.

The democracy will cease to exist when you take away from those who are willing to work and give to those who would not.

– Thomas Jefferson seconded by Bob Krehling.

Fun Fly Committee

Saturday, July 11, 9:00am - 4:00pm

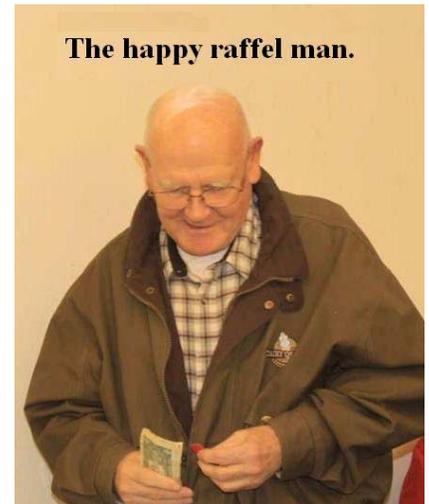

Master of Ceremonies	Terry Phillips	248-4798	Safety Coordinator	Dan McNeil	512-3095

	Ron Campbell	371-1084		Charlie Hafer	367-8060
Food	JR Rautzhan & Verna	933-4605			
Raffel	Bill Moore	350-9115			

If you would like to help, please call one of those listed above.

If you know of anyone wanting a good deal on an electric plane, never damaged, flies great (just not into electrics) flew only a few times, add receiver and fly in a few minutes, new cost totals over \$680.00, asking \$280.00 attached are the websites to each item, even if you just want the electrics it is a good deal. Four different props.

These guys are mesmerized by the officers at the meeting.
Bill Moore's raffle prizes on table.

Some of the rest of the crew at attention, awaiting further instructions.

More Thomas Jefferson quotes:

I predict future happiness for Americans if they can prevent the government from wasting the labors of the people under the pretense of taking care of them.

My reading of history convinces me that most bad government results from too much government.

No free man shall ever be debarred the use of arms.
