FROM THE PRESIDENT

September 2009

ARF'S go big time! A recent article in "Aviation Week and Space Technology" tells how a large, Chinese manufacturer of R/C aircraft has scaled up one of their electric ARF's to human size. The plane was demonstrated at the recent EAA Air Venture show in Oshkosh, Wisconsin.

The plane is capable of one and one half to two hours of flight at a cruise speed of 60 knots. It carries two people and has a takeoff weight of approximately 1100 lbs. It is powered with Li-Poly batteries.

We all knew there was some big stuff out there but not this big!! If you want more info Google it at "Aviation Week and space Technology.com"

KRCS Minutes August 2009

Meeting was held at the Field Pavilion on August 3, 2009 at 7:00 PM.

There were 23 members present. Vice President, Henry Spangler presided in the absence of Jim who was on a trip.

Meeting started with the Pledge of Allegiance to the Flag.

Treasurer's Report was given by Don E. and approved upon motion by Linda and seconded by George.

Minutes were approved upon motion by Dan and seconded by Dan Bishop.

The following members were voted into membership:

- Scott Bamberger
- Mark Johnson
- Tom Buerk
- Dave Muscalus
- Robert Muscalus

The July Fun Fly was discussed. There was an acceptable attendance and the net income from food sales and raffles was also acceptable. Henry thanked all the members who contributed all their time and energy!

Our next Fun Fly will be held on August 15th. This is open to all aircraft, not limited to electrics. JR will again be cooking and volunteers are requested to be at the field at 8:00 am to get things ready. The event starts at 9:00.

Ron C. thanked all those who attended the Mt. Joy Library aircraft demonstration and exhibit. Unfortunately the turn out was on the thin side and it remains to be seen as to whether we will continue with the event next year.

Vice president, Henry reminded all members to start thinking about nominations for a new slate of officers for the coming year. He mentioned that we are in need of some new, young members to carry on!

Henry praised the Field Maintenance Crew: Bill Hallman, George Meyer, Chuck Bruggeman, Bill Sowers, and Bill Moore for their outstanding contribution to the club.

The meeting adjourned at 7:20 upon motion by Linda and seconded by Dan.

The 50/50 was won by Terry Phillips.

Respectively Submitted by

Walt Hiester, Secretary.

New applicants to be voted on at next meeting:
