FROM THE PRESIDENT

November 2009

What is the future for KRCS? A question we, as a club, need to continue to think and talk about. Thanks to the efforts of many and leadership of “King George” we have just come off of a fantastic period of facilities growth and improvement and our membership base is strong.

Where do we go now? The status quo is fine but opportunities abound. The one thing we seem to be missing is any effort that “contributes to society”. For a while we were involved with Stephen but now that he is in college we need another “cause”.

Give it some thought, come to a meeting and lets give some thought to a cause we can be proud of. Hope to see you on the second at the hangar!

Jim Geiger
President, KRCS
