FROM THE PRESIDENT

December 2009

What is the future for KRCS? And the drum beat goes on! Sometimes it seems like the times I used to talk to my teen aged kids, is anybody listening? This is a fantastic hobby that is fun for many really nice people. We will likely continue to have excellent leadership but it will likely be the same folks who always seem to step up.

I belong to three other clubs and the leadership issue is the same for all of them. It is always the same folks who get it done. We need some new blood. Enough of that, remember we have a “party” at the Hangar on the morning of December 22nd. Come and enjoy (I am sure Luke would be happy if you bought some Christmas gifts while you are there!)

Give it some thought, come to a meeting, get involved. See you at the Hangar.

Jim Geiger
President, KRCS

Chuck won the raffle for the plane donated by John Knovac.

Linda spoke more about her Plane Locator Plan. A system will be in place next spring for our evaluation.

Luke announced that there will be a Christmas Party at the Hangar on December 22nd. If possible, please bring a covered dish goodie. The party will start at 10 am until???

Meeting adjourned at 7:25.

Respectfully Submitted

Walt Hiester, Secretary

Editors Note:

Fellow airmen,

It is time to step up to the plate. We need a new volunteer for president. I know it is a lot easier to sit at the meetings and kibitz about everything that is taking place, but a strong leader is required now. Final nominations and election of officers will take place at the next meeting.

Be sure to check www.thehiddenhanger.com for weekly specials throughout the holidays.

And don't forget the party at The Hidden Hanger December 22nd at 10:00 AM.
