# FROM THE PRESIDENT

December 2009

With my first thoughts in the newsletter, I want to wish all the members a very Merry Christmas and a joyous Holiday Season from the Officers and Board of KRCS.

Hopefully Santa has brought you all the model aviation gifts you wanted from your wish list.

Don't hesitate to bring that new gift(s) or project to the next club meeting. I'm sure there's plenty of interest in your new project! And if you are new to the hobby and need help, there's always someone willing to give you a hand or help you with advice!

Looking forward to an exciting 2010 with plenty of great weather for flying.

See you at the next meeting.

Sam McLenegan  
President, KRCS

# FROM THE VICE PRESIDENT

Final words

What is the future for KRCS? A question we, as a club, need to continue to think and talk about. The future is Sam McLenegan, he's taken the helm for KRCS. With an experienced team supporting him, Sam will be able to bring a fresh look at our club. Sam is a long time member and great pilot who is at the field often.

I have enjoyed the last three years and will stay on as VP so Henry can relax a little. Walt and Don will remain in their current positions. Come to the field and a meeting and tell us what you want to see in KRCS. It may be cold and snowy out there (Glen is probably flying anyway) but spring will get here and the field will be ready.

Have a very Merry Christmas and a Happy New Year. See you at the field!

Jim Geiger  
Vice President, KRCS
