FROM THE PRESIDENT

April 2010

On Saturday the 17th a group of Club members, family and friends visited the Udvar-Hazy Air and Space Museum. What a treasure we as Americans have in this museum! I was in awe of the one of a type planes that I found in the museum. Some of these planes I had seen in books, but to see them in person was truly amazing. Looking at the planes and equipment one can see the evolution of technology from the early days of flight to the present day. The one tour guide was an SR71 Blackbird pilot, Buzz Carpenter. What stories he had to tell during his discussion as he flew this awesome bird around the world. If you are interested in aviation, this is an amazing museum to visit!

I wanted to give a special *THANK YOU* to Jim Geiger for planning the KRCS bus trip to Udvar-Hazy.

The May 3rd meeting along with the summer meetings will be held at the KRCS field starting at 7:00. Why not come early and bring a plane to fly!

Flight Training will also begin on Tuesday, May 4th at 5:00. All new members must pass a flight proficiency test to fly by themselves. Bring your plane and radio to the field to be checked over before flying. The club does have planes to fly if you haven't purchased a plane or radio. Make sure your batteries are charged before arriving at the field.

Hope to see you at the next club meeting. *FLY SAFELY!*

Sam

Minutes of April 5, 2010 Meeting

The meeting was held at the Hidden Hangar at 7 pm April 5, 2010. There were 27 members present.

The President opened the meeting with the Pledge of Allegiance to the Flag.

The minutes were approved upon motion by George and seconded by Bill Holsberg.

The Treasurer's report was approved upon motion by Linda and seconded by Bill H.

Dennis and Tom Duck were received into membership.

Bob K. announced that there would be no need to cut additional trees and that the field looks very good.

Don E. said that the rolling of the field will be in a few weeks, weather permitting.

Walt said that indoor Arena flying has ceased for the season.

The trip to the Space Museum scheduled for April 17th is approaching and it looks like a terrific trip.

A motion was made by Linda and seconded to raise the late dues penalty from \$10 to \$25.

JR is going to switch his luncheon cook-out from Tuesdays to Thursdays.

Dave Muscalus received his proficiency certificate for Pilot and Advanced qualifications.

Please note that we are having an Electric Fun-Fly on July 10th and an Open Fun-Fly on August 14th. We need volunteers for both events.

Our next meeting will take place at Creamery Field.

Meeting was adjourned at 7:30 upon motion by Bob K and seconded by Bob H.

The 50/50 drawing was won by Bob H. Bob donated the cash back to the club.

Respectfully Submitted,

Walt Hiester, Secretary
