FROM THE PRESIDENT

September 2010

The summer with its warmer weather and blue skies is slowly coming to an end, and with that comes the change to the monthly meetings for KRCS. The summer meetings have been well attended and we hope the attendance continues thru the fall and winter months. The October meeting will start the fall/winter meetings at the Hidden Hangar.

Please read through the minutes posted in the newsletter because changes that have been approved during the monthly meeting are posted in this section.

Members- Monthly dues are now payable to the club treasurer, Don Epler.

- **On a side note-** When you are on club property there are times when an emergency may arise that you would need to call the police or an ambulance to assist you in a matter at the field. Please remember to notify one of the Club Officers or Board members of the incident if one was not present.
- **Under no circumstance is a club member to take it upon themselves to individually contact Federal, State or Local government offices or officials concerning matters that may deal with the field or flying. These issues should be brought before the Officers and Board for evaluation and action!**

Hope to see you at the next club meeting. *FLY SAFELY!*

Sam

Minutes KRCS meeting September 13, 2010

The president, Sam opened the meeting at 7:00 PM with the pledge of Allegiance to the Flag. There were 26 members present.

The minutes were approved upon motion by Linda Coover and seconded by Glen Schaeffer.

Don Epler gave the Treasurer's Report which was approved upon motion by Charles Hafer and seconded by Dan McNeil II.

Bob Krehling reported that the field is in great shape. A new grass sweeper has been purchased. The contractor for grass mowing was unsatisfactory and we are back to mowing the field ourselves. The East end of the pit area has been extended to allow easier mowing.

Dan McNeil said that the last training day will be September 28th. We had a great group of instructors this year. Special thanks to Verna McNeil for her ever present peanuts and drinks.

Linda Coover asked about the status of the Charter Members Plaque which she suggested awhile back. It was decided that the Board would discuss the matter.

Walt Hiester asked for Roy Stone if it would be possible for helicopters (gas) to use the East instead of West end of the field. Matter will be discussed by the board.

Meeting was adjourned at 7:25 upon motion by Dan McNeil I and seconded by Dan McNeil II.

Bill Holsberg won the 50-50 raffle and donated the money back to the club.

Respectfully Submitted

Walt Hiester, Secretary
