# **FROM THE PRESIDENT**

The Officers and Board of KRCS want to wish all the members a very Merry Christmas and a joyous Holiday Season.

The KRCS/Hidden Hangar Christmas party will be held at the Hidden Hangar on Tuesday, December 21<sup>st</sup>, starting at around 10:00 A.M.

See you at the next meeting

Sam

## **KRCS Minutes of Meeting On November 1st, 2010**

The meeting was called to order by president, Sam McLenegan.

There were 32 members present

The Pledge of Allegiance to the Flag was observed.

Minutes of the September meeting was accepted upon motion by Linda Coover and seconded by George Meyer.

Treasurer's report was accepted upon motion by Henry Spangler and seconded by Dan McNeil.

Bob K said the field is looking good and thanked all those who helped with the maintenance.

George Meyer gave a very interesting talk speaking about his experiences while serving in the Air Force aboard an F89.

Hank Likes provided a very informative address about his work in the manufacture of model retract landing gear. He demonstrated many versions of the gear that he has available.

Austin Cronauer was voted into the club as a new member.

Bill James's membership application was not accepted by the membership.

Henry Spangler was nominated for Vice-President by Bob Krehling and seconded by Walt Hiester.

Meeting was adjourned at 8:34 upon motion by Dan McNeil II and seconded by George Meyer.

Respectfully Submitted By

Walt Hiester

For Sale:

Sea Gull Models Spacewalker. 72" wingspan, 20cc RCGF gas engine, new this season. Ready to fly, just add your receiver. Plane has never been crashed, in fact only one prop was ever replaced. Great flyer. Has performed the infamous "rudder bump" :-))) Yellow and red.

Picture was in Buzz Line a while back. \$450. See Denny Maize. Cell 649-0254

This is a picture I took of all the patches I received over the years for serving KRCS as a club officer. There are several patches missing, several were ironed on a jacket which I no longer have. I never thought of doing this when you put my pictures in the news letter however if you need some fill you might want to put the picture in a news letter. Some might find it interesting.

The large patch in the center is an all season patch which in order to receive you have to fly every month of the year. The small 2 patch under it shows I flew two years at least once a month.

The bottom KRC patch is or original patch until the present logo was adopted sometime late 1980's or early 1990's I don't remember the year.

Henry Spangler

## **Jim Geiger will be talking at the next meeting about his wood turning hobby.**

We are still looking for interesting people to talk to the club at meetings. Does not have to be related to our hobby. We are also looking for our next Hobbyist of the Month, which could be a non-member with a different hobby.

My reading of history convinces me that most bad government results from too much government. Thomas Jefferson

BELOW IS THE 2010 RENEWAL FORM.

**KRCS YEAR 2011 RENEWAL INFORMATION**

**Now is the time to update your KRCS membership for 2011. Please try to make payment prior to 12/31/10 to avoid late payment penalty (Additional \$15.00 charged if paid after 1/31/2011) (Member will be removed from roster after 3/31/2011 if dues remain unpaid)**

Please mail your application, along with a check to: Donald Epler, 411 Bonnymead Ave., Harrisburg, PA 17111. Make your check payable to "KRCS".

Open Membership: \$60.00  
 Senior Membership: \$50.00  
 Youth Membership: \$15.00  
 Associate/Non-Flying Membership: \$15.00

Membership in the Academy of Model Aeronautics, Inc.(AMA), is a prerequisite for membership in the KRCS. Please make your AMA application directly to the AMA. The club receives a report from the AMA annually to verify membership dues status. Members who do not renew their AMA membership will have their flying privileges suspended until proof of paid dues is received.

Here's a picture I took of the latest project over by the chicken houses. Henry Spangler  
By the way, Kreiders is taking out the second row of trees, which will make our flying time much less stressful.

On the left is our newest member, Austin Cronauer.

On the right is Hank Likes, designer and manufacturer of Likes Line Retractable Landing Gear. His presentation was very enlightening and entertaining. We all thank him for taking the time to speak with us.

Glen and Harold Shaeffer have a Christmas wish.

Walt demonstrated his Flame-licker model engine. These were used to run fans and other small items that are electric powered today back in the old days. Horse power was next to nil.
