FROM THE PRESIDENT

The May 2nd meeting will be held at the flying field pavilion.

Hopefully the weather will co-operate with sunshine and no rain!

If you haven't ventured to the field lately the rain has made its presence visible by washing away the two bridges, along with stones and mulch.

The board is reviewing the actions needed to replace/repair these items.

See you at the next meeting...

Sam

KRCS Minutes Meeting April 4, 2011

The meeting was held at the Hidden Hangar on April 4, 2011 at 7:00 pm. There were 25 members present.

President Sam McLenegan opened the meeting with the Pledge of Allegiance to the Flag.

Minutes were approved upon motion by Bill Moore and seconded by Jim Geiger.

The Treasurer's report was approved upon motion by Jim Geiger and seconded by Walt Hiester.

Don Epler reported that a new tractor has been purchased by the club. The Scotty tractor is being reconditioned.

A crabgrass application and grass conditioner has been applied.

Don will schedule a training session for tractor drivers on the new tractor, including maintenance procedures.

Charlie Haffer suggested that we have a night fly with our planes equipped with lights.

After a discussion it was decided that we should try to have the night flight on a meeting night in conjunction with Harry Capper and his astronomy friends. The dates of June 6th or July 11th were suggested. The club will contact Harry Capper to see what dates are good for his group.

Or next meeting will be at the field on May 2nd with pizza provided by the club.

The program for the evening was presented by Jim Fenwick who is a doctor at the Milton Hershey Medical Center.

Jim gave an extremely interesting program about his work with Hip and Knee Replacements. His presentations included showing many actual replacement parts that are used. We all thank Jim for a wonderful presentation.

The raffle was won by Dan McNeil II.

The meeting was adjourned at 8:15 upon motion by Linda Coover and seconded by Harry McLenegan.

Respectfully Submitted by

Walt Hiester, Secretary.

If you could kick the person in the pants responsible for most of your trouble, you wouldn't sit for a month.

This is what we started with. With a lot of help from many members, we turned it into what it is today. Many thanks to all the friends who helped turn it into an oasis of flying pleasure. I will no longer be in charge of the field.
Thank you,
Bob Krehling
