Smoketown Airport Lancaster Co, PA in conjunction with the EAA and Young Eagles held it's fly-in and classic car show June 11, 2011.

The event included live music, plenty of planes taking off and landing with many on display. An all you can eat breakfast buffet was available for a small fee.

Events included a parachute jump and free airplane rides for children ages 8-17. Those lucky enough to sit in the front also were able to take the controls of the airplane.

Weather wasn't great, but the rains held off just enough for us all to enjoy the show and activities.

This is an annual event and well worth attending.
