FROM A V.P.

Hello to all.

We are well into our flying season and it's been a busy month at the field.

So far in June we have had three events:

The Civil Air Patrol was here June 7th, the residents from Frey Village were here June 15th and we had our fun fly June 17th. All events were well attended and thanks to everyone who participated.

Herb and I are trying to keep things running while Jim Geiger is away. So far so good.

We have the next fun fly scheduled for July 15th. We will need some volunteers for that event. We will be asking for those volunteers at the July meeting.

Herb and I will be coordinating this fun fly. By what I've seen, the field seems to be in good shape and the mowing volunteers seem to be keeping up. A big thanks to them and thank goodness the spring growing season is over and the mowing demand might lessen somewhat.

Randy Smith has taken care of purchasing and painting the "KRCS & Creamery Field" letters. Again, another thank you.

That is all for now. The next meeting is Monday, July 3rd at 7 PM. See you there.

Respectfully,

Regis Doyle
